Display Socrative Teacher Room Number. Select *WOW 2017 Booklet Scavenger Hunt* quiz that was imported under teacher preparation. Do not randomize questions. Start Quiz.

Instruct students to use WOW booklets to locate answers to Scavenger Hunt and answer through Socrative.Com.

Stop students and hold discussion after Questions 13, 21, 29, 39, 49, 59, 69, 79, 89, and 100.

4. Discuss and handle logistics for WOW field trip. Students should **not** bring books to the expo.
5. WOW Field Trip: See teacher packet for details regarding trip. Stress to students they must use time wisely and go to the Worlds that interest them the most in the zone. There may not be enough time to experience every exhibit. Students should **not** bring books or backpacks to the expo.
6. Post-WOW Class Discussion and Activity: Students should identify their top experiences at WOW (suggestions include Carousel, index cards, note pads).
7. Post-WOW Career Research/Portfolio Update: Using this information, students should enter Kuder Navigator or Career Cruising to research three occupations or clusters (Worlds) identified through discussion. Save these jobs to Kuder or Career Cruising Portfolio. (Additional activities can include creating a PowerPoint presentation, writing an essay, creating a poster or gloster.)
8. Post-WOW Documentation: Students should record a brief summary of the WOW experience (What did they enjoy the most? What Worlds did not appeal to them? What do they want to remember two years from now about the experience?).
